**THOSE SAUCERS AGAIN**

**Excited States Seeing More Flying Chinaware**

ATLANTA, July 26.—(AP)—The flying saucer or something like that again.  
 Reports from widely-separated sections of the country have described "it" during the week-end.  
 1. A wingless craft, spurring flame "like a Buck Rogers rocket ship."  
 2. An aluminum-covered balloon.  
 3. An unusually-bright light.  
 4. A ball of fire.  
 5. A red and blue flame that flickered in mid-air.  
 6. A flash of cherry-red fire.  
 7. A meteor.

"It" first was reported by two excited calls and inquiries. It was this way last year when someone said he had seen a flying saucer whirling around. Right away dozens of persons said they had seen the same thing—or something.  
 The United States army, as usual, denied any responsibility and simply said in effect, "don't blame us."  
 At Albany Park, N.J., boardwalk through craned their necks today at a "silver cylinder" they reported flying high overhead. They described it as "war up in the air" and like a blimp "only blimp at both ends."

**Edmonton Baby Dies From Scalding Water**

CALGARY, July 26.—(CP)—A two-year-old Edmonton boy died in hospital here Sunday night after suffering severe burns from a boiling pot of water.  
 Patrick Harvey Peterson, son of Mr. and Mrs. Harold B. Peterson of Edmonton, was flown to Calgary after being scalded at the home of his grandmother, Mrs. W. A. McLean of Quesnonton, Alta., about 72 miles southeast of Calgary.  
 The child was playing about the kitchen when his mother was working when the accident occurred Sunday morning. He caught his arm in the cord of a hot plate and spilled a pot of boiling water on himself. More than two-thirds of his body was scalded.  
 The child was immediately flown to Calgary for medical treatment in a private plane owned by J. I. Bush of Quesnonton, but he died less than 10 hours after being admitted to hospital.  
 Mr. Peterson, a third-year dentistry student veteran at the Uni-

versity of Alberta, has been working at the Leduc oil fields at Leduc, Alta., during the summer. His wife, Doreen, and their only child, who have been visiting with her parents in Calgary.  
 Mrs. Peterson and Patrick left Thursday for Quesnonton to spend a few days with Mr. Peterson's mother.  
**Rail Foreman Killed At Edson**  
 A CNR section foreman was killed when he fell from the rear of a truck near Edson, Sunday.  
 Dead is Michael Hanula, 30, Embarras, Alberta. Embarras is 20 miles southwest of Edson.  
 According to RCMP Hanula was killed when the wheels of the truck ran over his body.  
 Hanula, who had driven to Coquiton to pick up a load of lumber, was returning to Edson when the accident occurred, police said.

**Beaten To Bent**

OKLAHOMA CITY, July 26.—(AP)—Faintly, a 9-2 vote British-American resolution was passed by the United Nations today, but it was not a victory for the Soviet Union.  
 The resolution, which was introduced by the Soviet Union, called for a general disarmament conference. It was defeated by a vote of 9-2, with the United States and Britain voting against it.  
 The resolution was introduced by the Soviet Union, which had been pushing for it for some time. It was defeated by a vote of 9-2, with the United States and Britain voting against it.

**SMELL OF DEATH IN AIR WHERE 29 PERISHED**

**'It Was Nauseating and Terrible' at Scene of Twisted Plane Wreckage**  
 By M. A. GENDREAU  
 Written for The Canadian Press  
 GASPÉ, Que., July 26.—(CP)—While the busy workers of the town describe the scene of the crash which took 29 lives Saturday in the worst disaster in Canada's aviation history, the town is still reeling from the shock.  
 The wreckage of the plane, a DC-3, was found in a field near the town of Gaspé. The plane had been flying from Montreal to Gaspé.

**29 Perish in Worst Air Disaster**

**Airliner Crashes Into Foggy Cape**  
 GASPÉ, Que., July 26.—(CP)—Twenty-nine persons died Saturday night when a chartered Timonius Airlines Dakota crashed into fog-bound Cape Ron Ami headland in the worst air disaster in Canada's aviation history.  
 A two-man board of inquiry into the disaster launched its investigation at Gaspé, Que., today, Transport Minister Chevrier announced in Ottawa. It consists of J. L. Blouin of Montreal, district inspector of air regulations for the transport department, and D. T. Jackson, senior aircraft inspector of the department at Montreal.  
 Most of the bodies were unidentifiable when ground parties climbed the steep headland to drag them on lumber sleds to Gaspé parish hall.  
 Dr. Hector Rioux, district coroner, announced a preliminary verdict of "crash death" following an inquest in Gaspé parish hall where charred remains of the 29 victims were placed.  
 All victims were from Quebec and New Brunswick.  
 The airliner was making an approach run to Gaspé airport, 12 miles away, when it plunged into the cape about 100 yards from the shore. The crash killed 29 persons, including 28 passengers and one crew member. The plane was a DC-3, chartered by the firm of J. L. Blouin of Montreal, which was flying from Montreal to Gaspé to start their annual holiday.

**ROUSE-MADE MISSILE**, which exploded harmlessly in air above United Nations headquarters at Lake Success, N.Y., was dropped from plane flown by Stephen J. Supina, former American war flyer. Supina admitted bombing was in protest against UN inaction in solidifying peace.

**Socialists Threaten New French Cabinet**

By Robert Emsoun  
 PARIS, July 26.—(AP)—Socialist deputies who wrecked the government of Robert Schuman a week ago were haranguing the government of Premier Andre Marie today before it had a chance to be born.  
 Unwilling to take responsibility for the six ministerial posts Marie offered them, the Socialists have asked Marie to include only two of their party in his cabinet—Louis Blum as vice-premier and Paul R. Baudouin as minister of state. But Marie and Blum are former premiers.  
 Marie is reported also to have offered the Socialists the portfolios of interior, social affairs, public works and commerce and industry. The Socialist deputies approved the proposed Marie cabinet by a vote of 33 to 31 today with eight abstentions.  
 Sixty-three Czech athletes arrived in three special planes with the sense shortly after the de jure, heading the group.  
 The Czechs had been rampant that the Czechs would not be allowed to leave their country for fear some of them would not return.

**2nd Mystery Assault In Week Being Probed**

Second mysterious assault on Edmonton citizens within a week is being investigated by police today. The assault occurred in the city of Edmonton, Alberta, on Sunday night. The police are currently investigating the case and have issued a warrant for the arrest of the suspect.

**Deadly Polio Strikes Girls**

Dread disease of polio is striking at young girls in the province of Alberta.  
 Total of seven young girls have been stricken with the crippling disease in the past five days. This total includes every case reported in the province since July 21.  
 The first case was that of a 15-year-old girl from Tilly, near Brooks in Southern Alberta.  
 The second case was that of a 12-year-old girl from the town of Leduc.  
 During the past week, all other cases have been reported from girls in the province.

 The second case was that of a 12-year-old girl from the town of Leduc.  
 During the past week, all other cases have been reported from girls in the province.

**Union's Bargaining Right Up For Study**

Question of the right of the building and construction workers to act as bargaining agent would be heard on union officials and the union's bargaining agent. The right of the union to speak for its members would be heard on Tuesday.  
 The union has been asking for a 10-cent-an-hour wage increase to bring pay for the Crown Paving Company and the Alberta Concrete Works up to the level of the 10-cent-an-hour received by civil laborers.  
 Hon. Dr. J. L. Folkman, minister of industries and labor, said representations on the right of the union to act as bargaining agent would be heard on Tuesday.

# It Happened TODAY

## Education

Defense Minister Brooke Claxton announced that representatives of each province and federal government will inspect the new military training camp. They will be given a tour of the extensive network for the expansion of "training" training. The school is now giving electrical and automotive instruction to 200 boys.

## World

In Ireland, the government is being accused of "mismanagement and misgovernment" of the country. In Dublin, which, in spite of a building boom, is still a very poor city. Young married couples, said critics, are being neglected for the "foreigners" who trade.

The Nizam of Hyderabad, whose territory was threatened with war and extinction by Indian Prime Minister Perpetual Government, is reported to have appealed to the King and to his constitutional adviser, Sir Walter Monckton, for a sponsor to take his case to the United Nations Assembly.

Britain has protested Israel's seizure of British-owned oil refineries at Haifa, property of a subsidiary of the Anglo-Iranian and Shell companies, by Jewish workers who formerly helped to operate the plant. An official London statement said they intend to resume processing about 400,000 tons of crude left in the plant's storage tanks.

## DEFENCE MINISTER CLAXTON

... Army education for the boys.

## The Nation

The town of Stewart, B.C., in facing extinction following closing of the Skeena River gold mine near the Alaska border, said a businessman "We haven't a chance of surviving. We spent all our money and the best part of our lives building up this community."

Kenneth McLaren, Toronto, president of the Empire of the Sea, announced that the company is planning to build a new ship, which will be used to transport goods and passengers between the British Columbia coast and the United States.

In St. John's, Newfoundland, authorities announced that if the island colony join confederation, it will still use the Canadian flag, but will use the Canadian flag for official purposes. The present flag is a red and white saltire on a blue field.

## Britain

Sir Stafford Cripps, Chancellor of the Exchequer, forecast that if Britain can sufficiently increase her industrial output, she will emerge at the end of the Marshall Plan aid as a level as good as perhaps better than she enjoys today.

Speaking in Liverpool, Conservative MP Ernest Marples challenged French Minister Bevan to a \$200,000 wager. If an independent arbitrator proves Bevan right in saying more houses have been built in England in the last 20 years than in the 10 years following the First World War, Marples will give the sum to charity. If proved wrong, Bevan must donate a similar sum to a worthy cause.

Vicount Field Marshal Montgomery said the youth of Britain is suffering from an "apirial malady" which is finding an outlet in intolerance and criticism of its elders. The cure said he, must begin in the family circle with young men laying the foundations of "faith, character and morale on which our whole national structure rests."

Farmer of the "Edmond valley" of Ashford Hill, Hampshire, are gathering their resources to fight a legal battle against the government Water Board proposal to flood out 106 farms to provide a 5,000,000-gallon water reservoir in the heart of the rich farm country.

## Sports

An 18-year-old New Yorker, Arthur Riquier, edged out Canadian Frank Anderson to become U.S. Chess champion at Oak Ridge, Tenn. Both won the

## MacKinnon Not Seeking Leadership

Mines Minister  
In City Today;  
Retirement Off

Hon. James A. MacKinnon is "a lot less definite" in his desire to retire from politics since his appointment as minister of mines and resources.

Visiting his home constituency of Edmonton West for the first time since he transferred from the portfolio of fisheries to that of resources, the minister said as to his future plans:

"I cannot say I will be running as a candidate for Edmonton West in the next federal election and, if I am not, I will be definite in my desire to retire when I was some months ago."

He did not elaborate as to his reasons beyond stating:

**CAN OFFER HELP**

"Mines and resources is essentially a western portfolio. There is a great opportunity for doing a great deal for Western Canada in general, and the province in particular."

He pointed out that immigration, national parks and the mines of the northwest are directed by this department.

"It is a department I know well," he remarked.

Mr. MacKinnon said he was conferring with Harper Prowse, provincial leader of the Liberal party while in Edmonton and "will give any assistance I can to the Liberals in the forthcoming provincial election."

He said this assistance would likely take the form of radio addresses.

The minister plans to attend the national Liberal convention in Ottawa on August 5, 6 and 7, at which time a new leader will be selected to succeed Prime Minister Mackenzie King.

**NO LOSS TO ALL**

"The nation has sustained a tremendous loss in the retirement of Mr. King. He has been a wise, far-seeing statesman, with a unique record of leading Canada through periods of reconstruction."

"I have absolutely no interest in the leadership of the Liberal party for myself," Mr. MacKinnon emphatically declared. Neither would the minister hazard a prediction as to who the new national leader would be.

He recalled that he was one of the very few still around who attended the last national Liberal convention in 1939, when Mr. King was elected national leader.

**PRIZE PROSE**

Liberals in the east feel confident that in Harper Prowse the party has an able leader, who is conferring with him, and those associated with him, will make a good showing in the coming provincial elections.

Don W. Thomson, secretary to the minister, accompanied him to the west.

**Newton Wins High Honor In England**

Dr. Robert Newton, president of the University of Alberta, today received an honorary degree of doctor of science from Cambridge University in England.

He was one of two Canadian and four other presidents from British Commonwealth universities who were honored by the famed English university.

Other Canadian was Dr. Sidney Smith, president of Toronto University.

Dr. Newton received the degree from Vice-Chancellor C. E. Ravesmeyer of Christ's College, Cambridge, who acted in the absence of Chancellor Jan Christian Smuts.

**LATIN SPEECH**

The Alberta president was introduced by Public Orator W. K. C. Guthrie. Speaking in Latin, Mr. Guthrie stated that Dr. Newton "exceeds among agriculturists and biologists of his country."

"On such men do we depend—not only in his own Canada but here in Europe—to avert the panic of hunger from thousands of our people," he added. "Nor is he less active in the cause of liberal education."

Dr. Newton is the discoverer of the high-yield Newall barley, one of the first "smooth-barked" barleys.

Newall was coined from the words "Newton" and "Alberta."

**38 YEARS**

He first came to the University of Alberta about 38 years ago. Since that time he has trained many students in his original field of plant biochemistry, and has done considerable research work.

During the 1920's he left the University to work with the National Research Council in Ottawa.

He returned to U. of A. in 1940 as dean of agriculture, and became president in 1941.

It is expected that Dr. and Mrs. Newton will return to Alberta in mid-August.

**LONDON.—(CP)—**The government has refused a food firm's application for permission to make limited horse-meat sausage.

**PAST GRAND EXALTED RULERS** of Elks were caught admiring Saskatchewan Valley view from the Macdonald hotel terrace before their convention duties began Monday morning. They are (seated from left) H. H. Greaves, Swift Current, Sask.; H. Piele, Duncan, B.C.; and J. P. Ferguson, Trochu, Alberta. W. G. King, Kerrobert, Sask., stands in rear.

## 300 Elks Arrive For National Convention in Edmonton

Sporting their purple ties and from 300 delegates from across Canada and Newfoundland assembled today in the main dining room of the Macdonald hotel for the 36th annual convention of the Renewable and Protective Brotherhood of Elks.

The convention got underway at 9:30 with the opening of the Grand Lodge by officers headed by Grand Exalted Ruler A. G. Smellie of Russell, Manitoba.

Ladies of the Order of the Royal Purple, sister organization to the Elks, are simultaneously holding their annual convention in the Elks' main hall in the Macdonald.

The conventions are scheduled to last for three days, Monday, Tuesday and Wednesday.

Gowned in white, the Ladies of the order suspended their sessions and paraded to the Elks convention hall in the Macdonald.

The two organizations were welcomed by Hon. Ian Casey, minister of education, on behalf of the provincial government, and by Mayor Harry D. Ainsley on behalf of the city.

The parade was led by the Elks' Kilmahoy band of 45 pieces, and accompanied by five high-stepping majorettes.

Following a parade of both organizations to the on-stage, by way of Jasper Avenue, a wreath was laid by Grand Exalted Ruler A. G. Smellie.

Sessions of the Grand Lodge continued this afternoon.

A two-hour tour of Edmonton is scheduled from seven to nine this evening followed by an "At Home," featuring dancing and entertainment in the Trudewill Ballroom.

Among the delegates are seven of the former Grand Exalted Rulers, A. E. Eamer, Winnipeg; F. N. Haney, Calgary; P. W. Pound, Vancouver; H. Greaves, Swift Current; H. Piele, Duncan, B.C.; J. P. Ferguson, Trochu; and W. G. King of Kerrobert.

Old timers among the delegates are R. S. Savage of Calgary and E. A. Shoobham, formerly of Calgary and now of London, Ont., who are both crowding the 80-year mark.

They are respectively secretary and president of the Buttermilk Club for Elks only.

## CCF Charges Socreds Oppose Rural Scheme

If country ridings favor rural electrification from publicly-owned lines and a CCF government is elected in Alberta, the wishes of the people in the rural districts will be met, according to a statement issued today by the CCF provincial board.

"The board does not believe it is fair to have the rural electrification issue decided by people who have no direct interest in getting electricity into farm homes," the statement continues.

**CITY FOLK VOTE**

"We cannot believe that the people of the cities and towns, who now enjoy the convenience of electricity in their homes, will vote to keep it from the country people," it said.

Rural electrification is more likely to depend on the kind of government elected, than on the results of the power plebiscite, in the opinion of the board.

The statement charges the request of the Social Credit government, in refusing the request of farm organizations for rural electricity, would indicate the government's opposition to such projects.

The rural electrification issue is described by the CCF as the major issue in the election campaign.

They review the CCF platform under five other heads.

A road program to give the taxpayer full value for every dollar spent on roads, in co-operation with municipalities in the construction of roads.

A province-wide system of health and hospital care regardless of the individual's ability to pay.

A natural resources policy designed to give the people of the province a maximum share of the wealth produced.

A CCF government would make school grants enough to cover 50 per cent of the cost of education.

A repeal of the Alberta Labor Act and trade union legislation, to speed up the settlement of industrial disputes through collective bargaining.

## Sask. Premier Comes to Alta.

**MEDICINE HAT, July 26.—(CP)—**Premier of Alberta and Saskatchewan will speak the same night at rival political rallies in Medicine Hat three blocks apart.

Premier Douglas of Saskatchewan will make his first appearance in Alberta in support of CCF candidates in the August 17 Alberta general election while Premier Manning of Alberta will be speaking at a Social Credit meeting.

Mr. Douglas will speak in Bow River on the afternoon of August 12 and at Lethbridge in the evening of August 12.

## Johnstone Walker's Daily Store News

EDMONTON'S OWN STORE

Store Hours 9:30 to 5:30 Phone 25161—Ask for Dept.

## Sew and Save

McCall, Simplicity and Butterick Patterns

You can have twice as many clothes if you make them yourself . . . in the fabric you want, the pattern you choose.

Our Pattern Department has the latest in fall fashions and our Piece Goods Department is showing a wide range of wonderful fabrics.

- Choose from the fashionable Summer silks that will make your smart Summer dress a true. Smart Summer crepe in small and large floral and figured designs on light and dark grounds. 38 inches wide. Priced at, yard 1.49, 1.75 and 1.98
- Cottons are also headliners and English Merisettes are the best. Guaranteed color-fast prints, 36 inches wide. Priced at, yard 89c

## Washable Wonders

8.95 \* 11.95

... because it's not often that you find cottons and rayon spun like these . . . correct, cool, so carefully, skillfully tailored and yet without the old soap and water. You'll use them for shopping, office wear and in your vacation wardrobe.

Cambrays, Gingham, Miami Crepe and Rayon Spuns . . . bright colorful stripes in many widths and also novelty designs. Tailored, buttoned to the hemline and tucked skirt styling. High neckline with small collar and short and three-quarter length sleeves. Sizes 38 to 44 and 44 to 48 and a few to 50. Priced at 8.95 to 11.95

## Gloves

**Wardrobe Refreshers for Summer**

White Gloves to wear in starting contrast to your Summer clothes and that lovely tan. Morley's Duplex Fabric Gloves in a smartly tailored pull-on style in white and natural. Sewn seams in black stitching. Sizes 6 to 8. Priced at 1.50

## Girdles

**Styled by "Lady Mac"**

If you want to be cool during the warm weather then a Summer girdle is just what you need. Morley's girdles are made of two-way stretch power net elastic with a narrow satin panel front containing a net insert, from 18 to 24 inches. Sizes small, medium and large. Priced at 5.50

## Linens

**Pre-Inventory clearance sale of odd lines of Linens . . .**

Double, Bridge Cloth and Lace Runners. HALF PRICE

## Men's Gabardine Raincoats

Regularly 32.50

Here is an exceptional value in Men's Rainwear. Custom Gabardine Raincoats, self-lined with a beautiful interlining. Smartly styled with a notched lapel, slash pockets and a wide collar. Sizes 36 to 46 for regular and tall men. Special Clearance Price of 19.95

## Women's Shoes

1—A stroller type of brown simulated alligator. Has good walking sole with extra cushioning. Sizes 36 to 40. Width 3A to C. Priced at 8.95

2—A smart step-in of softly tanned brown calf, made on form-fitting last. . . . flexible soles with extended edge. Sizes 36 to 40. Width 4A to C. Priced at 10.95

**JOHNSTONE WALKER LIMITED**

**LAY CONTENTS** of all women's purses in one heap. Result: Biggest junk pile in world. That's only conclusion possible after Eric Bland's seeing-eye camera completed a survey. Look at what Mrs. Marie Green, business manager at Cory and Crouch grocers, plops around. Alarm clock, screw driver, radio tube, pill-box, three unopened personal letters, gum, keys, car tickets, two address books, nail file, comb and list book.

**BABY CAUSES MAMA'S PAPER** to be taxed to near-bursting point. Mrs. R. A. Johnson, city photographer, checks over her equipment, which is as follows: baby bottle (nearly filled), diapers (just in case), two safety pins for same, cigarette lighter, keys, cigarettes, two billfolds, two bank pass books, two pennies, four buttons, knife, matches, mirror, receipts, handkerchief, door key, spectacles and case and baby's family allowance cheque.

**PACKING HER PURSE** each morning must make TCA Agent Norrie Kelly an early-riser. Miss Kelly stuffs the following items in her purse: Three pencils, three combs, one-cent stamp, safety pin, cigarette lighter, bank book, dice, pencil, car tickets, matches, makeup kit, inhaler, two packs of gum, two lipsticks, nail file, lighter flints, compact, mirror, tweezers, two note books, address book, three aspirin tablets, rosary, change purse, baby pins, letter and Kleenex.

**SEEING HARDLY** makes for believing in case of Arlene Kerr, stenographer at Underwood Typewriter Co. Miss Kerr seems a trifle chagrined at following in way of purse personnel: Billfold, compact, lipstick, clothes brush, comb, letters, two mirrors, keys, safety pin, baby pin, sundry papers in abundance, and of all things, a chain letter. Of course she has car tickets but ready cash is depressingly absent. —Photos by Brand.

## Liberal Party Accents Farmer Aid

Alberta Liberal Party today announced its campaign platform for the coming provincial election.

Here is a summary of the Liberal party platform:

1. Increase in the old age pension to \$40 per month.
2. Removal of the one-cent per gallon tax on purple gasoline used by farmers.
3. Payment of a percentage of the provincial government's royalty on oil to the owner of the surface rights, where the government holds the mineral rights.
4. Setting up of a Civil Service Commission, free of partisan interference, to hire all employees for the provincial civil service, and to reorganize the entire service on a businesslike basis.
5. Provision of guarantees to permit the issuance of a second, supplementary mortgage, not to exceed \$1,250 to approved lending institutions, to permit a larger number of citizens in lower income brackets to become home owners under the National Housing Act and other schemes.
6. Provision that the minister of labor may also hold the portfolio of minister of industry.
7. Implementation of the recommendations of the Judge report to permit a lightening of the municipal tax burden. Province would bear at least 50 per cent of the overall cost of education (there is no definite percentage at present), with equalization of school taxes.
8. Press the Dominion government to complete agreements with individual provinces, if nation-wide agreement is not possible, to permit the early implementation of the health insurance scheme extension of provisions of the Old Age Pensions Act to bring the age limit from 70 to 65 years; no means test for those over 65; the Unemployment Insurance Act to cover a greater number of workers.
9. Setting up of a Highway Advisory Commission, free of partisan influence, to include representatives of cities, municipalities, school division, and technical personnel, to draw up a long-range highway construction program, with highways to be of permanent, all-weather construction; greater attention to be paid to the construction and maintenance of secondary and market roads.

Non-white girl babies have the chance of living at least 61 years, the agency stated.

## Life Expectancy Rate of Biblical Times Surpassed

**WASHINGTON, July 26.—(AP)—**White girl babies born now can expect to live at least 70 1/2 years, the United States government calculated yesterday.

It's the first time in the country's history that the life expectancy rate has gone past the Biblical "three score and ten," the National Office of Vital Statistics said.

Non-white girl babies have the chance of living at least 61 years, the agency stated.

# Doug Lemmon Swims 3rd in Grigley Win

## Doris Elliott, Bob Leitch Also Splash to Victory

(Bulletin Sports Editor)

SYLVAN LAKE—The Doug Lemmon of 1948 is by no means the swimming machine he was—back in 1942 and '43. Nevertheless the husky 210-pound Edmonton West club star made a show of his field while making off with his third men's Grigley mile crown at this picturesque club, Calgary, at the finish. Bob Leitch, another 17-year-old Newalta club, Calgary, at the finish. Bob Leitch, another 17-year-old Newalta club, Calgary, at the finish.

Conditions were far from ideal. The water was choppy and a chill wind added to the hazards. By way of keeping the banner of the capital city flying high, youthful Doris Elliott, one-half of a twin sister swim duo, carrying the colors, carried the East End club, Edmonton, took it all in the ladies' Grigley mile.

The pert East End mile swimmer finished her way to the top in 20 minutes and 45 seconds. Her sister, the 16-year-old, finished in 21 minutes and 45 seconds. Chasing her in the second and third place were Cathy Leitch, Newalta club, and Lois Woback, Newalta club.

**DOUG LEMMON**  
**LEITCH BRINGS HOME THIRD TITLE**

Bob Leitch, also of the East End club, provided Edmonton with its third championship when he won the largest event of the afternoon, the half-mile Grigley. This event drew the largest entry of the afternoon, it being necessary to swim it in two heats. Youth Leitch failed to win the title in his 12 minutes, 20.5 seconds, to win his heat. When Pat Macdonald, Edmonton West End and 1947 champion, failed to better 12:34 while getting there first in heat No. 2, Leitch was a clear cut winner.

Leitch's conquest in the events generally looked on as the "big four" was turned in by little Shaw, Newalta, winner of the ladies' half mile. She beat off two Edmonton entries, Audrey Sparrow and Joan Grier.

A number of scheduled competitions failed to "fill" and the program finally resulted into an even dozen events.

Sponsored by Edmonton Junior Fishery Service Club Saturday's 18th annual Alberta championship swimming gala was run off in business-like fashion. Where Norwington was chairman of the group which organized the gala.

High Dives, Lemmon first won "the Grigley" in 1942. The dead-heat with Norm Alak on this occasion, and repeated the year—off by himself. "Now that he has three triumphs in the Grigley he can take dead aim on Max King's high water mark of four." King was good thing in 1942-36, his winning time of 24:38 in 1945, having stood as a record since that year.

Chewing gum manufacturer, Wm. Grigley Jr., no longer has a financial interest in the Sylvan Lake show. He pulled out five or six years ago. "Time was when he dug pretty deep and this also was the time when this was quite a profitable part of time of Alberta."

It ain't what it used to be.

Doris Elliott, twin sister of the new ladies' mile queen (the lookers are 17 years old) won her first of four laurels.

She topped in the senior ladies' 50 yards—just as she boasted the would "Nick Carter, Dave Sisson, Bob Matheson, J. Edwards and the Edmonton officials who watched at Leitch and his sister's state the show." Mary McConey—as she was at the time—spoke the words of the "Miss Grigley" in 1942.

In those days the course was laid out in a straight line—into "lake proper."

Senior ladies' open 50 yards—Doris Elliott, East End, 1:00.50. Junior ladies' open 50 yards—Doris Elliott, East End, 1:00.50. Junior ladies' open 50 yards—Doris Elliott, East End, 1:00.50.

# Martelli Hold Eaton Trophy With 4-3 Win

## Heavy and Burns Martelli successfully defended the Eaton Challenge trophy when they turned back York, White, and Ed. New and 3 at the Highlands course Sunday.

Only four holes were won in the well-played match, with the defending Martelli team winning birdies and sharing honors on the 12th hole when both Moe and New missed short putts for par.

# Johnny Letke Leads Gofers Into Eighth

## Johnny Aitken Takes Medal Round With 74

It's an ill wind that doesn't blow somebody some good, so today 15 players from an entry of 83 are still in the hunt for the city amateur golf championship at the Highlands course.

In the van is good-natured Johnny Letke, last year's runner up to Henry Martelli. Letke was only required to play one match Sunday, a couple, and then came the first player of the tournament to reach the eighth hole. He was Lloyd Greer and Tom McCready, both by 2 and 3 scores.

It was Saturday that the stiff breeze from the Pacific played its pranks and blasted a number of the city's foremost players right out of contention for the title. Among these were Williams, Ted West, Maury Van Vleet, B. K. Kilburn and Leo Le Chateau.

The score-keeper couldn't shake Johnny Aitken, who, though established himself as a shot maker in the Winnipeg Cup competition, failed to be marked. He stroked his way to medalist honors in 74, just behind the group figures.

Burns Martelli, another Williams Cupper, was only one stroke behind Letke, a decision which Jennings accepted third place with the victor in the first round of the provincial amateur, was next with 77.

The first round of match play Sunday ran pretty true to form, but a couple of matches went to the wire. In the first round, Jennings and Greer were tied, but Jennings won the second extra hole after Alf had defeated the 12th hole.

Second round of the championship, play and first round of the finals must be completed by Saturday. Time 1:30. Also ran—Streamline, Joe West, Beaming Sun, Sweet Wind, and others.

**FIRST RACE—\$500 claiming:** three-year-olds and up, 4½ furlongs. (E. Johnson) 1:50.30. (A. Johnson) 1:50.30. (A. Johnson) 1:50.30. (A. Johnson) 1:50.30.

# CRASH CLAIMS LIVES OF 6 BALL PLAYERS

## ST. PAUL, Minn., July 26.—(AP)—Steve Lazar of Oliphant, Pa., died today, the sixth victim of a bus-truck collision which shattered the ranks of the Duluth Northern League baseball team.

The 23-year-old second baseman died in hospital where he had been unconscious Saturday after this team's bus collided with a truck.

Four of Lazar's teammates were killed outright as the machines met on a slight rise at the northern edge of St. Paul.

Fourteen other members of the team were injured but all remaining in the hospitals were reported showing improvement today.

Officials of the Northern League, the Duluth team and its parent organization, the St. Louis Cardinals, said the Duke's schedule would be completed. Several league clubs have offered players to the Cardinals will provide others from their extensive farm system.

# Jack McIlveen Wins Garneau Net Singles

## Jack McIlveen hustled away on a windy Sunday at the Garneau courts to win his second club singles crown in three summers.

The hard-driving McIlveen stopped the play of the other 15 players in the final round of the Garneau Net Singles.

McIlveen, 24, was a member of the Garneau Net Singles team which won the Garneau Net Singles in 1947. He was a member of the Garneau Net Singles team which won the Garneau Net Singles in 1947.

# Weeks Hurls No-hitter For Henry Singers

## That fastball team of Henry Singers, which Manager Sam Shekter figured would win it all at Kingsway Park this season, got a shot in the arm Saturday from Gordie Weeks' no-hit victory.

The Singers will need a whole park full of triumphs if they are to overthrow Precision, the team which has been the best of the league in general. But they were masters to the tune of 5-0 over today's Norwington.

Weeks fanned five and walked one for his white-hot effort. Gene Sakowsky on the Norwington bench only gave up two hits but he issued 10 free passes to more or less seal his doom.

Weeks' strong arm, Kingsway, Moose blasted three Norwington pitchers for a 15-1 win, and Precision stopped the Norwington Legionnaires 4-1.

Second-sacker Bob Meyers highlighted the first major league grand slam home as Moose slugged for 11 runs in the third inning.

When the ball's all done this fall and the shavers are safely gathered in, John Farkas of the Recreation Commission and the junior college colleagues who have been a good harvest. They are particularly concerned about slugging away the Alberta crown, a feat which the locals haven't accomplished since Father William's triumph in 1947.

Laurence began developing those fine Calgary teams. But this might be the year; Farkas thinks it is. At any rate the Edmonton start in 1948 surpasses those of recent times. The Norwington drew a record number of cheering young men to Stadium Sunday, home 65 going through the motions. The Edmonton contenders in other years were lucky to have a third of that number when playoff time rolled around.

Instead of pep talks, which the follows:

## DISTRICT NEWS IN BRIEF

## Steps Taken To Stop Speeding

More Than 25 Motorists  
Fined at Sylvan Lake

SYLVAN LAKE, July 26.—War has been declared on violators of traffic laws here.

## BABY STANDS AT SIX WEEKS

WAINWRIGHT, July 26.—Wainwright is boasting one of the strongest babies in Canada.

## Rocky Pioneer Dies At Age 80

ROCKY MOUNTAIN HOUSE, July 26.—A pioneer of the district, Harry Haslam, 80, died in the hospital after a week's illness.

He was born in Manchester, England, where his father was a cotton manufacturer, he was educated at Oxford, and came to Sylvan Lake in 1907 where he took up land that he owned at the time of his arrival.

In 1911, he came to Rocky Mountain House with a construction crew. He later homesteaded south of town, living for some time with General George Pearson, V.C., who also homesteaded here before the First World War.

For the last 25 years, Mr. Haslam lived in town, and up until a week ago, was very active, but he had no relatives in Canada but several brothers and sisters still live in Manchester. The funeral was held Thursday, with the Rev. H. Marsh conducting the service.

He was very active in the community affairs until his illness confined her to her home about a year ago.

She is survived by two sisters, Mrs. C. Newman of Vancouver and Mrs. Margaret Cannon of Dumbo, Ontario.

## 'Bertie' Says Britain's Aristocracy Rules World

PARIS, July 26.—(AP)—Col. Robert (Bertie) R. McCormick, publisher of the Chicago Tribune, said Saturday the British "aristocracy continues to direct the foreign policy of the United States and thereby rules the world."

At the same time, he said, "the Labor government misrules England."

McCormick, who arrived here today on an air tour of Europe, made his statement in the prepared text of a speech for broadcast over Chicago station WGN on a relay from Paris.

He said: "Today I feel sure that I hold the key not only to the Labor party but to every other British phenomenon. It is

that in Great Britain, ancestry is more important than accomplishment.

"The arrogance of the noble pervades the nation."

"The peers do devote themselves to the national interest. Their experience, hauteur and coarseness have largely dominated democracy."

"The life Lord Lothian, for instance, had more influence on American foreign policy for a generation than any American."

McCormick said the present British Labor government "has done much harm to the have without doing anything for the have-nots."

McCormick said the present British Labor government "has done much harm to the have without doing anything for the have-nots."

LOTS OF MONEY, but just too much worry. Jack L. Adams and his wife of Huntington, W. Va., won \$7,300 on a radio quiz program, but turned it down because they were "just worn out" from hundreds of phone calls from well-wishers and salesmen. Here they are with an adding machine trying to figure out the tax, and what they would have used the money for.

## Quebec Election Drive Enters Final Stages

MONTREAL, July 26.—(CP)—A note of urgency crept into the Quebec election campaign last night, with only 48 hours remaining before the July 28 voting day.

Over the week-end party leaders contended themselves with rounding out their arguments, re-emphasizing main platform planks, trying to win over those last few votes that might make the difference in the close constituencies.

Wednesday the speech-making stops, and the voters also stop. From 9 a.m. to 6:30 p.m. they will have 24 regulations, 24 candidates, 24 issues, 24 debates. They will decide whether the Union Nationale government is to remain in power.

LIVELY CAMPAIGN

The campaign has been a lively one, typical of a province with a tradition of colorful political figures, or oratory in the grand manner.

The two major parties—Liberal and Union Nationale—have fought bitterly over whether Quebec should sign a taxation agreement with Ottawa—the kind of agreement signed by seven other provinces.

Premier Duplessis has said that Quebec, in a period of "unprecedented development," needs her tax fields and would not financially on any such agreement. Further, to surrender her tax rights would be to lose Quebec's cherished provincial rights, to sell out to the "centralists."

FAVORED BY GODBOOD

Liberal leader Godbout and external affairs minister St. Laurent have said the province should agree that no question of provincial rights is involved. They have accused the premier of manufacturing the issue to perpetuate himself in power.

Also in the thick of the fight is J. Ernest Grogan, Union of Electors, advocating the abolition of Social Credit policies that appeared in Alberta during depression days. Like the Liberals, they are running a full slate of 24 candidates.

The Union Nationale is running 91 candidates, leaving Quebec out of the federal election. The CCF, led by Guy-Merrett Desautels, has seven candidates, with the Labor-Progressive party running only its provincial leader—Guy Le Caron.

Ex-Edson Doctor Dies In Calgary

CALGARY, July 26.—(CP)—Dr. Mervyn Homer Wilfred Foulis, 69, died at his home yesterday. Dr. Foulis, who moved to Sylvan Lake in 1933 and practiced in Edson, Alta., from 1936 to 1942, when he moved to Calgary.

He was a member of the first, second and third regiments of the Calgary Highlanders.

## HER ROMANCE HAS CREATED PLENTY OF TALK

RIPLEY, Me., July 26.—(AP)—"The romance of this town's only telephone operator was causing a lot of talk today, but it was all by word of mouth."

Just before the operator, Mrs. Winifred Hatch, 37, left town, she cut all the wires on a switchboard she owned, silencing the 63-hand-crank telephone.

This happened more than a week ago when Mrs. Hatch told friends: "I'm tired of this number, please business."

Mrs. Hatch and her neighbor, Charles Johnston, 28, filed marriage intentions July 1. All friends know is that Mrs. Hatch said she was going away for a few days.

Then she hung up.

Then she hung up.

## Trochu Pioneer, Mrs. N. Ross Dies

TROCHU, July 26.—Funeral service for the late Mrs. Nellie Ross, who died July 21, was held at the Legion hall here. Rev. O. Lavers officiated and interment was in the new Trochu cemetery.

Mrs. Ross was one of the pioneer settlers of Trochu district, having been here 40 years ago. Her husband, Charles Ross, died two years ago.

She was active in church and community affairs until ill health confined her to her home about a year ago.

She is survived by two sisters, Mrs. C. Newman of Vancouver and Mrs. Margaret Cannon of Dumbo, Ontario.

# Delegates Gather Here For 24th Convention

Order of the Purple plans  
Three-Day Session in Edmonton

Delegates from all parts of the Dominion gathered in Edmonton Monday to attend sessions of the 24th convention of the Order of the Royal Purple.

The three-day convention is being held in conjunction with the national Elks' convention.

More than 150 delegates from out of town registered at the Masonic Temple Monday at 8:30 a.m. Delegates and members of the Order wore white dresses with white and mauve corsages for the occasion.

Led by four gaily dressed drum majorettes and the Edmonton Elks' band the colorful parade of women marched from the Masonic Temple to the Macdonald hotel. Opening ceremonies were held in the main dining room at 10:30 a.m.

At 12:15 p.m. members paraded to the conclusion and during the afternoon members of the Supreme Lodge held sessions. Anna C. Koutson, supreme honored royal lady and the fourteen members of the supreme lodge are in the city for the convention.

Initiation ceremonies for new members will be conducted by Supreme Lodge officers in the afternoon at 7 p.m. At 8 p.m. a meeting of the Order and to the Elks Convention will take place in the Travelers' Hallroom following the initiation ceremony.

Sunday members of the Supreme Order held an execution meeting at 10 a.m. and at 1:30 p.m. Election of officers is slated to take place Tuesday.

Harbison and Klondike Night will be held at Lakeside Tuesday evening.

Supreme Lodge Sessions will be held at the Masonic Temple Tuesday at 9 a.m. and at 1:30 p.m. Election of officers is slated to take place Tuesday.

Harbison and Klondike Night will be held at Lakeside Tuesday evening.

## Maxine Aitken Wed Saturday

McBoull Memorial Church was decorated with summer flowers at an early evening ceremony Saturday when Margaret Maxine Aitken, daughter of Mr. and Mrs. George Aitken of Edmonton, formerly of Regina, became the bride of Arthur W. Prunkl, son of Mr. and Mrs. Frank Prunkl of Edmonton.

Mr. W. Prunkl performed the double ring ceremony, given in marriage by her father, the bride was groomed in white satin and lace. A beaded tulle held her fingertip veil in place and the carried a cascade bouquet of gardenias and white sweet peas.

Miss Violet Bella was bridesmaid. She wore a pink net dress with a headband of pink carnations and a bouquet of pink and white carnations and gladioli.

Frank Prunkl was his brother's best man and usher was Carl Prunkl.

A reception was held at the Embassy Hotel where the bride's table was decorated with a three-tiered heart-shaped wedding cake flanked by white tapers and bouquet of summer flowers.

Another of the bride was a gown of Queen's Blue crepe with navy accessories and a corsage of 'carnations'. Mrs. Prunkl chose for her son's wedding a navy crepe suit with matching accessories and a corsage of red roses.

The couple left for a honeymoon by air and will take up residence at 1131 96 street. The bride went for travelling a pearl gown dress with a scarf and black accessories.

At a recent meeting it was planned to hold a bazaar, tea and sale of home cooking Friday at 2:30 p.m.

Several Edmonton women attended the provincial tournament held in conjunction with the annual meeting of the Union in Calgary.

Two Alberta Girl Guides, Mrs. Wilma Palmer, 2018 Edmonton Club and Miss Mary Hutton, first High River Chapter, have been chosen as two of ten senior guides to be assistant aides at the World Conference of Girl Guides and Girl Scouts at Conestoga, New York in August.

The girls will leave Calgary Friday to spend three weeks in camp on the shores of Lake Ontario with senior aides from the United States and Brazil.

Before the conference opens August 13, the girls will spend ten days, getting acquainted with the locality. Campers will take care of flag ceremonies and morning exercises. All girls are experienced campers and will live in tents and doing their cooking over camp fires.

Before the conference opens August 13, the girls will spend ten days, getting acquainted with the locality. Campers will take care of flag ceremonies and morning exercises. All girls are experienced campers and will live in tents and doing their cooking over camp fires.

WHITE DRESSES and mauve corsages were worn by delegates attending the 24th annual convention of the Order of the Royal Purple. Members paraded from the Masonic Temple to the Macdonald hotel for opening ceremonies Monday morning. More than 150 delegates from out of town are in the city for the three-day convention.

Miss Clark was entertained at a luncheon Monday morning when she arrived in the city for the week-end to visit Edmonton for a few days.

While in the city they are guests at the Macdonald hotel. From Edmonton Mr. and Mrs. Will travel to the Pacific Coast before returning to their home in London in September.

This is their first visit to Canada since 1939.

Those assisting in serving were Mrs. William Leslie, Mrs. Lawrence Clark, Jr. and Nancy Leslie.

Several Edmonton women attended the provincial tournament held in conjunction with the annual meeting of the Union in Calgary.

Two Alberta Girl Guides, Mrs. Wilma Palmer, 2018 Edmonton Club and Miss Mary Hutton, first High River Chapter, have been chosen as two of ten senior guides to be assistant aides at the World Conference of Girl Guides and Girl Scouts at Conestoga, New York in August.

The girls will leave Calgary Friday to spend three weeks in camp on the shores of Lake Ontario with senior aides from the United States and Brazil.

Before the conference opens August 13, the girls will spend ten days, getting acquainted with the locality. Campers will take care of flag ceremonies and morning exercises. All girls are experienced campers and will live in tents and doing their cooking over camp fires.

## Edmonton Holds Golfing Reins For Next Year

Edmonton members of the Canadian Ladies Golf Union will guide affairs of the provincial branch for the 1949-50 term. This was announced at a recent meeting of the branch in Calgary.

Edmonton stage of officers has not been presented but executive positions will be announced shortly.

Mrs. Victor Kaskberg of Calgary is retiring president of the provincial branch.

Plans are being made to send an Alberta team to compete in national play-offs. Sum of \$1,000 will be raised to finance the venture.

Mrs. J. K. Kishinami will be in charge of Edmonton contributions. More than \$500 has been raised already by enthusiastic golfers.

Several Edmonton women attended the provincial tournament held in conjunction with the annual meeting of the Union in Calgary.

Two Alberta Girl Guides, Mrs. Wilma Palmer, 2018 Edmonton Club and Miss Mary Hutton, first High River Chapter, have been chosen as two of ten senior guides to be assistant aides at the World Conference of Girl Guides and Girl Scouts at Conestoga, New York in August.

# This Is Year For Big Conventions

**Liberals, Conservatives, CCF Set to Meet in Aug., Sept.**

OTTAWA, July 26.—(CP)—This is Canada's year of the Big Convention.

There are three of them being held this year by Canada's three major political parties—the Liberals meet in Ottawa, Aug. 5, 6 and 7, the CCF gathers in Winnipeg Aug. 10, 20 and 21 and the Progressive Conservatives get together sometime during September in a city yet to be chosen.

All three of the conventions will be concerned with the vital task of reshaping party policies and platforms. Those are of paramount importance because of the approach of a general election year. The present Liberal government's mandate expires in 1960 and an election likely will be called in 1960.

## NEW LEADERS

Two of the conventions, those of the Liberal and the Progressive Conservative parties, will have one other important function—that of selecting a new party leader. This is dictated by the impending retirement of Sir John G.D. Thompson, the Liberal leader, and William Lyon Mackenzie King and John Bracken.

Ranking third in importance on the agenda of all three conventions is that of party organization. This, too, with an election in the offing, becomes of major importance.

The Liberal and Progressive Conservative conventions are unusual in that they are the first in some years. For those two parties, such get-togethers are not automatic; they are held only when some major question, such as the selection of a new leader, confronts the party.

LAST IN 1910

The Liberals, for example, held their last national convention in 1910, when Mr. King was chosen leader. The Progressive Conservatives last got together in a big way in 1942 at Winnipeg, where Mr. Bracken won election as party head.

The CCF national conventions are held every two years, under the party constitution. At this meeting, as at others in the past, the leader, Mr. J. G. Cross, must be confirmed.

The Liberal and Progressive Conservative conventions will draw the greatest number of delegates. Their systems of selecting delegates from the federal and provincial fields are similar. The Progressive Conservatives will have slightly more than 1,300 delegates while the Liberals will have just under that figure. The CCF, which operates on a different delegate-selecting method, expects to have 300 at its turnout.

## IN PACIFIC

### Disease Fought As Memorial

NEW YORK, July 26.—(CP)—Lt.-Gen. Robert C. Richardson, Harvard announced plans for a Pacific war memorial to take the form of an investigation of tropical diseases.

Richardson, former commander of United States army forces in Pacific ocean area and now retired, said the memorial project also seeks to control insects and pests of the Pacific area. It aims to find new sources of food among the edible fish in the Pacific ocean and to conserve the plants and animals of the region.

The project, organized with a group of war veterans, would commemorate all Americans who served in the United States army forces in the Pacific.

### Increasing Power Of Corporation Is Threat To U.S.

WASHINGTON, July 26.—(AP)—The Federal Trade Commission told Congress yesterday that unless the steadily-increasing power of the "giant corporations" is curbed the United States will go "down the road to collectivism."

In a report to Congress made on its own initiative, the commission urged the lawmakers to plug up "the loopholes" in the Clayton Anti-Trust Act, passed in 1914.

It is "crucial," the commission said, that "workable means be found to prevent 'giant corporations' from steadily increasing their power at the expense of small business."

### Calgary Opens 'Courtesy Week'

CALGARY, July 26.—(CP)—A week-long "Courtesy Week" safety drive opened in Calgary today. The drive, sponsored by the Calgary Safety Council, will stress the need of courtesy and safe driving by motorists.

Large banners stretching across main city thoroughfares carry the slogan "Drive safely, courtesy and you hold the weapon"—an added warning to drivers. Motorists also will be given pamphlets outlining suggested courteous actions.

### 475 Immigrants Arrive In Canada

HALIFAX, July 26.—(CP)—Two United States transport ships arriving this weekend boosted the number of immigrants in Canada by 475. The Marine Transport Co.'s 275 displaced persons from Bremerhaven, Germany, yesterday. Saturday her sister ship, the Warner Plaster had docked with 200 displaced persons from the same port.

## THREE GREAT MEN AND GIBS ONE OF THEM

YORK, Pa., July 26.—(AP)—The Gazette and Daily said Saturday George Bernard Shaw, Irish playwright, has quit his stamp of approval on Henry A. Wallace as only candidate for president "who is a social philosopher."

The York morning newspaper, published by J. W. Galt, Wallace chairman in Pennsylvania, printed the statement in an interview with Janice Steel, its acting correspondent. The Irish wit said of the presidential race:

"Democrats and Republicans represent the same. Wallace is the man. Tell the American people that Shaw says Wallace is the only one among the candidates who is a social philosopher—the only man who can do something about the international situation because he knows something about it."

The newspaper said it added there are only three great men living in the world today.

One of them is a great statesman—his name is Joseph Stalin. The second is a great mathematician, his name is Einstein. The third one is a great playwright—undoubtedly furthest from mentioning his name, he was quoted as saying.

## Six Forest Fires

WINNIPEG, July 26.—(CP)—Six forest fires are burning between Lake Winnipeg and the Ontario border, provincial forestry officials announced during the weekend with 150 fire fighters combating the blazes.

## GREAT WIT 92 TODAY

### Bernard Shaw Hates Birthdays, Even Own

AVON ST. LAWRENCE, Ont.—He has fully recovered from a recent stroke, England, July 26.—(CP)—Bernard Shaw is 92 today but nobody in his household dares celebrate his birthday.

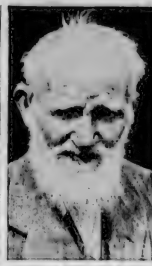

Shaw gives credit for his good health to his vegetarian diet, the fact he is a teetotaler and to his extremely careful rules for living. He is a teetotaler and to his extremely careful rules for living. He is a teetotaler and to his extremely careful rules for living.

There was one, however, who took a chance with Shaw. She is his housekeeper, Mrs. Alice Loden, who tempted him with one of the four cakes sent by admirers. It is his birthday and the ladies GIBS is credited on it.

Shaw's day was no different from his usual routine. This does not mean, however, that he is not a teetotaler. Up at 7 a.m.; breakfast 8:45 a.m.; reading 9:15 a.m.; then more reading and writing until dinner-time. He ever has tea at 4 a.m. After dinner comes more reading, perhaps listening to the radio and writing for a couple more hours before going to bed about midnight.

## Korean President

SEOUL, Korea, July 26.—(Reuters)—Dr. Syngman Rhee, 74, was elected president of the Republic of Korea today by the Korean legislative assembly, which he had just addressed.

GEORGE BERNARD SHAW ... A routine day.

## MACHINES VEND SOUP, DRINKS

NEW YORK, July 26.—(CP)—Commuters who miss their after-office train won't have to go hungry waiting for the next one.

Automatic coin-operated vending machines in stations soon will offer them a choice of canned soups and hot chocolate, the New York Journal of Commerce reported today.

## Civil Liberties Group Speaks for Hutterites

WINNIPEG, July 26.—(BUP)—Manitoba's Civil Liberties Association today protested that legislation under consideration by a provincial government committee in regard to the assets of Hutterite colonies was a "retrograde step."

Members of the religious sect voted the fact that the passage of such legislation, enabling members of the colonies to take shares of their assets with them when they left the communities, may force the strict religious sect to pack up and leave for another country, following in the footsteps of the Hutterites who recently moved to Paraguay.

## Roaming Envoy Defends Africa

PRETORIA, July 26.—(CP)—South Africa is sending a diplomat abroad to roam where he will with one object—to "counteract misrepresentations and venomous attacks" against its new government.

Prime Minister Malan, whose Nationalist party came to power recently, picked Charles De Water as "special ambassador extraordinary at large." He is a former high commissioner to London and was president of the League of Nations Assembly in 1935.

The appointment was made necessary, the Premier said, by foreign attacks of "such a serious nature that they are affecting the interests of the country as a whole."

LONDON.—(CP)—Augustus John has been appointed president of the Royal Society of Portrait Painters.

# GREATER SAFETY

## FOR YOU AND YOUR FAMILY

### ... AT NO EXTRA COST

That's what this new Seiberling Tire offers you. More than Perfect Riding Comfort ... More than Top Mileage ... the EXTRA SAFETY of the only Heat-Vented Tread in the world ... premium quality at standard prices.

**YOUR SAFETY, your family's safety—** that's what Seiberling engineers were thinking of, first and foremost, when they designed and built this new Seiberling Heat-Vented Tire. They were determined to give you extra safety from the moment you left your garage until you returned home again.

All tires generate dangerous internal heat while in motion. It is the major cause of most tire failures. Seiberling engineers deliberately set out to reduce this dangerous internal heat in the new Seiberling Safety Tire ... and they have done so!

They have done so with a brand new safety feature ... Heat Venting. Heat Vents are scientifically engineered into the tread of this new Seiberling Safety Tire. These Heat Vents automatically open and close as the tire revolves. They expel dangerous internal heat and draw in cooler air ... actually air-condition the tread so it has to run cooler ... SAFER.

This is a superior safety feature which you can see for yourself, quickly, at your nearest Seiberling Dealer's. For your own safety ... for the safety of your family ... we urge you to do so ... soon.

Seiberling is the only tire in the world which offers you Heat Venting ... more than riding comfort ... more than top mileage ... much Greater Safety ... premium quality at standard price. So, ride easier, farther and SAFER on this new Seiberling Heat-Vented Tire!

**IMPORTANT**

You can buy the new Seiberling Safety Tire —in standard sizes —and in the new "EXTRA-LOW PRESSURE" sizes

**A NAME YOU CAN TRUST IN RUBBER**

# Third U.K. Imports Repaid With Exports

By The Canadian Press  
Britain now is paying for one-third of her United States imports with exports, an against one-sixth which she was paying before the war.

This recent encouraging statistic was reported by Harold Wilson, president of the Board of Trade and points out how much ground she has recovered.

The net is, she was running behind even before the war, but her heavy investments abroad gave her a cushion on which she could ride for a while.

For the first time in a year, the net is in a position to stand on its own feet.

At the same time that she is making this effort to restructure her place in the world's trade and general economy, she is putting into effect a far-reaching social security scheme.

Her reports are mostly grim news, however, she is able to say that exports are running at 158 per cent of the 1938 average and point up towards the 1934 rate set for the year.

She is all a long way from reaching a trade balance and her attitude is that she must be content with a trade balance and her attitude is that she must be content with a trade balance and her attitude is that she must be content with a trade balance.

At the same time that she is making this effort to restructure her place in the world's trade and general economy, she is putting into effect a far-reaching social security scheme.

# Trading Bull Toronto Market

## Industrials, Base Metals And Western Oils Steady

TORONTO, July 26.—(CP)—Trading dragged on the Toronto Stock Exchange today, July 26, with a skidded downwards in contrast to Friday's strong showing. Industrial, base metals, and western oils steadied. Volume was about 450,000 shares.

Industrials were steady as stocks milled gains and losses within a narrow range. Auto, common and P.O., Brown Ship, International Paper, Minnesota and Ontario Paper, all moved ahead on small gains, balanced by Hamilton Power.

Auto, common and P.O., Brown Ship, International Paper, Minnesota and Ontario Paper, all moved ahead on small gains, balanced by Hamilton Power.

# Rig To Be Moved North

By Cecil Jackson

Next location for the rig from the abandoned Imperial Clyde wildcat will be the abandoned, according to unofficial sources. Drupp is about 80 miles north of Edmonton.

The rig recently was sent to Toronto to demonstrate at the Canadian National Exhibition was originally selected to drill the hole. The Clyde hole was drilled down to 7,527 feet before it was plugged on Friday.

Another location has been selected by Imperial on July 15-26, mid-way between Riviere Qui Barre and Neame, about 20 miles north-west of Edmonton.

It is understood that the rig from the Clyde hole will move as soon as the decision is made on the site of the present location have been made. Decision on the site of the Volmer hole will be known this week.

The hole was plugged back to 2,600 feet from 7,772 and first tests were made from four feet of oil in the lower Cretaceous. Production from that horizon was a series of water free 29 gravity cups daily by pump. There was no gas.

The sand section was only five feet thick and would not permit additional perforations.

The higher Cretaceous formation was to be perforated over the week-end, an attempt to increase production to at least 30 barrels daily. The new formation is run out of water free 29 gravity cups daily by pump. There was no gas.

The sand section was only five feet thick and would not permit additional perforations.

# Don't Call Them Newfies

By The Canadian Press

ST. JOHN'S, Nfld., July 26.—(CP)—Here are a few simple rules of etiquette to be followed by Canadians if Newfoundland is the 10th Canadian province.

Newfoundland is not Newfie and slanders remark that Canadian troops started that nauseating nickname. It's okay for a Newfoundland to use it, but nobody else.

It is a mistake to feel proud of the accent on "f." Disregard the Oxford dictionary that places the emphasis on "f."

Don't make fun of the Newfoundland dogs the island makes three trips a week—two in winter. But it is not as many as water dogs in a week and better than a Newfoundland dog.

Don't refer to Newfoundland as "Canada." It must feel proud of the accent on "f." Disregard the Oxford dictionary that places the emphasis on "f."
